

Range: PREMIUM STRENGTH

Name: OLYMPIC FLAT BENCH

Product Code: IN-PS-23

Length	1700MM	Width	1610MM
Height	1340MM	Weight	88KG

Description

The Inspace Premium Strength Olympic Flat Bench is suitable for Olympic weight lifting and a great addition to any commercial gym or strength and conditioning facility. The low bench height and recessed area provides placement for a spotter and allows for prime workout positioning to optimise results and develop the chest, shoulder and tricep muscles.
